DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by St Kilda Bowling Club Incorporated for a special licence for their premises situated at 33 Royal Crescent, Dunedin, and known as the "St Kilda Bowling Club".

The applicant has requested a special licence for two social dance events to be held on Saturday 23 November 2019 between 7.00 pm and 12.00 midnight and Tuesday 31 December 2019 between 7.00 pm and 1.00 am the following day. They have requested the premises be designated a restricted area for the two occasions.

The Medical Officer of Health and Licensing Inspector have not raised any matters of concern. However, the Police does not believe the event on 31 December can go beyond midnight because of the Dunedin Local Alcohol Policy (LAP). If the Committee deems the event to be an 'exceptional circumstance' then the LAP maximum trading hours can be exceeded.

The purpose of the LAP is to balance the statutory requirements and object of the Act with meeting the reasonable needs of residents and businesses, and the city's desire to support vibrant, sustainable and resilient communities.

New Year's Eve is the one event in the year that large numbers of people in the community tend to celebrate and because of this, an event is put on in the Octagon for Dunedin residents. However, a lot of people prefer to celebrate the event with friends in alternative venues, be it homes, licensed premises or elsewhere.

This application is made by a club so it's members can celebrate the occasion together. As the Police have pointed out, greater hours than those allowed in the club's licence can only be granted if the Committee determines there are exceptional circumstances. Although it is an annual event, the Committee considers New Year's Eve to be an occasion that is exceptional and is deserving of extended hours.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.
