The Octagon and Lower Stuart Street in front of the premises will be closed to vehicles and the applicant would like the opportunity to have a greater area during this time. They have asked for the premises to be designated a supervised area.

The reporting agencies (Police, Medical Officer of Health and Licensing Inspector) have not raised any matters of concern. They are satisfied the Experience meets the criteria for a special licence allowed for in the Local Alcohol Plan.

The agencies also comment that although the premises is only licensed until midnight, they stay open which provides an alternative food option in the area. This is considered beneficial for this period.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.
