DECISION OF DUNEDIN DISTRICT LICENSING COMMITTEE

The applicant has requested a special licence to host the Pond family's combined 21st and 50th birthday celebrations on Saturday 18 July 2020 between 5.30 pm and 12.00 midnight.

The reporting agencies (Police, Medical Officer of Health and Licensing Inspector) have not raised any matters of concern regarding the event therefore there are no extra conditions that need to be added to this licence.

However, the Licensing Inspector has commented on the lack of information provided with the application when it was submitted and the 'rude' attitude of the person submitting the application when detail was requested. This raises two points:

1. The detail required to be submitted with an application is so the reporting agencies can assess any potential risk associated with a proposed event.
2. Front line staff are carrying out their duties to ensure the licensing process is as smooth as the legislation will allow. They do not deserve to be treated in the manner described. The Committee expects all licenses and employees of licensees to treat staff with respect.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.

Staff have been advised not to accept incomplete applications in the future. We expect the applicant to submit complete applications, with the required information appended, and any contact with staff to be respectful.

They have requested the premises be designated a restricted area for the duration.

The reporting agencies (Police, Medical Officer of Health and Licensing Inspector) have not raised any matters of concern.

The District Licensing Committee Chair Mr Colin Weatherall has requested a one-way door policy to be a condition for each event, and to be applied from 2.30 am. He has also commented in granting approval to issue this licence, no precedent to any other licences or events is implied.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.
