of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER

of an application by Becharre Liquor Limited for an off-licence pursuant to s.99 of the Act in respect of premises situated at 212 Main South Road, Green Island, and known as "Super Liquor Green Island"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Becharre Liquor Limited for an off-licence in respect of **new** premises situated at 212 Main South Road, Green Island, and known as "Super Liquor Green Island".

The application is in respect of premises in which the principal business is the sale of alcohol.

The premises is a former bank and has not been licensed in the past. A certificate from the Council's Planning Department accompanies the application which states that the sale of alcohol in this area is a permitted activity. As soon as the new premises is licensed the bottle store currently part of the Commercial Tavern, which is operated by the applicant in this matter, will cease to trade and the licence surrendered.

The application was duly advertised, and one objection was received. However, the objector did not establish an interest greater than the public generally and lived more than 3.5km from the proposed new premises. They also indicated they did not want to be heard at a public hearing.

The Police and Licensing Inspector have no concerns with the application. They stated that the applicant was aware of the nearby Churches and had a risk mitigation plan which included CCTV and limiting the external signage at the front of their site.

However, the Medical Officer of Health voiced their concern that once this new premises was licensed the premises situated at the Commercial Tavern would not close with the result being an increase in the number of licensed premises in the Green Island area. They did, however, indicate their opposition would be withdrawn upon the surrender of that licence when the new premises is open.

The Committee called for a hearing into this matter to discuss the opening times of the premises, its proximity to 'sensitive' sites and to get assurance that the licence for the Commercial Tavern site would be surrendered. When we relooked at the application against the Local Alcohol Policy (LAP) we note that Churches are not classed as 'sensitive facilities' therefore the location of the premises is not an issue.

We communicated with the applicant regarding three matters. This first was the closure of the bottle store which is part of the Commercial Tavern. They have guaranteed that, when this new premises opens, the other site will be closed, and the licence surrendered.

With regards to the Churches in the immediate area, to avoid the possibility of adverse comment and conflict, the applicant agreed that a midday opening on Sundays would be acceptable and a good compromise.

The third matter we had 'reservations' about was the proximity to a bus stop that is used by school children to change buses on their way home from school. The applicant said they believed the Super Liquor guidelines for external advertising protected vulnerable people from excessive exposure to alcohol messaging. They do not use external promotional material. During the times school children are waiting for buses the applicant will ensure greater vigilance to ensure restricted people do not enter the store.

We are satisfied with the reassurances provided by the applicant and the comments made by the Police and Inspector with regard to the suitability of the applicant. We will consider the application without a hearing on the assumption that the off-licence associated with the Commercial Tavern will be surrendered when this licence is issued.

The Medical Officer of Health makes mention of the proximity of schools nearby but with the closure of one premises and the opening of another in the same area the 'amenity and good order' of the area should not noticeably change.

We are satisfied as to other matters to which we must have regard as set out in s.105 of the Act and we grant the applicant an off-licence authorising the sale and supply of alcohol for consumption off the premises, and to supply alcohol free, as a sample, for consumption on the premises.

The applicant is currently refitting the premises therefore the licence will be issued when we are advised the premises is ready for occupation.

The Committee has received advice that the premises will open on Wednesday 10 February 2021.

The applicant's attention is drawn to ss.56 and 57(a) of the Act obliging the holder of an off-licence to display: -

1. A sign attached to the exterior of the premises, so as to be easily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of alcohol; AND,
2. A copy of the licence, and of the conditions of the licence, attached to the interior of the premises so as to be easily read by persons entering through each principal entrance; AND,
3. A sign prominently displayed inside the premises, which identifies by name the manager for the time being on duty.

The licence will be subject to the following conditions:

- (a) No alcohol is to be sold or delivered on Good Friday, Easter Sunday, Christmas Day, or before 1.00 pm on Anzac Day
- (b) Alcohol may be sold only on the following days and during the following hours:

| | |
|---------------------------|-------------------------------|
| Monday to Saturday | 10.00 am to 10.00 pm |
| Sunday | 12.00 noon to 10.00 pm |
- (c) The whole of the premises is designated a supervised area.

- (d) While alcohol is being supplied free as a sample, water is to be provided to patrons free of charge at the place where the samples are being supplied.
- (e) The licensee must ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

DISPLAY OF LICENCE AND PRINCIPAL ENTRANCE/S

A copy of this licence must be displayed at the principal entrance(s) to the premises as outlined in the plan received by the Dunedin District Licensing Committee on 20 August 2020. The entrance from the Main South Road is designated as the principal entrance.

AND

IN THE MATTER

of an application by Rotary Club of Dunedin Incorporated pursuant to s.138 of the act for on and off-site special licences in respect of the premises situated at 33 Melville Street, Dunedin, and known as "The Dunedin Club"

DECISION OF DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

[1] This is an application by the Rotary Club of Dunedin Incorporated for a special licence for premises situated at 33 Melville Street, Dunedin, and known as "The Dunedin Club".

[2] The applicant has requested both an on-site and off-site special licence for a fundraiser event for the Chatbus and the Cancer Society on Thursday 4 March 2021 between 6.00 pm and 10.30 pm. The off-site special licence is so they can auction wine as part of the fundraising effort. They have requested the premises be designated a supervised area for the duration of the event.

[3] The reporting agencies (Police, Medical Officer of Health and Licensing Inspector) have not raised any matters of concern. There are no extra conditions that need to be added to this licence.

[4] The application was made in February 2020 for the event to be held on 26 March 2020 however it needed to be postponed because of the Covid-19 lockdown. At the time there were no matters raised in the reports from the agencies. A request was received for the event date to be rescheduled for 4 March 2021.

[5] On 15 May 2020 the Alcohol Regulatory and Licensing Authority released a decision regarding who may be granted off-site special licences (*U M Holdings Limited*, [2020] NZARLA 84, known as *Danger Danger*). At [74] the Authority said:

"When s 42 is considered alongside ss 8, 22(5) and 55, it becomes apparent that the scheme of the Act is that an off-site special licence is intended to cater for certain merchants in the alcohol industry. Manufacturers, importers, distributors, and wholesalers are able to sell their alcohol at festivals, as a form of marketing where they would otherwise not be able to sell their product direct to the public more generally without holding a more permanent licence."

[6] In the above matter the Authority would not grant an off-site special licence because the applicant does not meet the criteria as detailed in s.42 of the Act.

[7] When the application was submitted the Authority had not heard the matter from which led to the determination mentioned above. Had it been afterward they would have been advised accordingly when the application was received.

[8] With regard to this application the Committee will allow the off-site application to continue on this occasion. It was not the fault of the applicant that the first date needed to be rescheduled. However, in the future off-site special licences will not be able to be granted.

[9] We are satisfied as to the other matters to which we must have regard as set out in s.142 of the Act and we grant both the on-site and off-site special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.
