**IN THE MATTER**

of an application by Belleknowes Golf Club Incorporated pursuant to s.127 of the Act for renewal of a club licence in respect of premises situated at 3 Lawson Street, Dunedin, known as "Belleknowes Golf Club"

**DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE**

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

**DECISION**

This is an application by Belleknowes Golf Club Incorporated for the renewal of an alcohol club licence in respect of the premises situated at 3 Lawson Street, Dunedin, and known as the "Belleknowes Golf Club".

The application is for a roll-over of the present conditions. However, the club house was completely destroyed by fire in June 2021. At present there is no clubhouse facility at the location but the club decided to renew the licence so there is a simple transition to the new premises. Having a current licence also opens the door for any temporary structure to be licensed pursuant to section 74 of the Act while a rebuild takes place.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

The Licensing Inspector has assessed the application against the criteria in the new Act and is satisfied that if the application was made pursuant to the new Act, it would be granted.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and therefore renew the licence until 13 August 2024, that being the anniversary date of the licence and three years from the most recent date of expiry and authorise the issue of a replacement licence and notice of renewal.

A condition has been added to the licence pursuant to s.110(2)(c) of the Act which requires the Committee to state where freely available drinking water is to be situated in the premises.

**DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE**

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

The club used to hold a club licence in their previous premises but did not carry on with it at this location. They relied on special licences to cover their activities however this has become untenable. The best way forward was to apply for this licence.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and we grant the applicant a club licence authorising the sale and supply of alcohol for consumption on the premises, to any member of the club, guest of a member at the invitation of that member or member of another club which has reciprocal visiting rights with this club, who is present on the premises.

The applicant's attention is drawn to s.57(2) of the Act obliging the holder of a club licence to display: -

1. A copy of the licence, and of the conditions of the licence, attached to the interior of the premises so as to be easily read by persons using the premises; AND,
2. A sign prominently displayed inside the premises, which identifies by name the manager for the time being on duty.

The licence will be subject to the following conditions: -

- (a) The club must have a secretary at all times:
- (b) Within 10 working days of the appointment of a new secretary, the club must inform the Secretary of the District Licensing Committee the name of the new secretary:
- (c) Alcohol may be sold only on the following days and during the following hours:

**Sunday to Thursday      10.00 am to 11.00 pm**

**Friday and Saturday      10.00 am to 12.00 midnight**

- (d) The following steps must be taken to promote the responsible consumption of alcohol:
- (i) A range of food choices must be readily available at all times that the premises is open. Menus must be visible, and food should be actively promoted. A minimum of three types of food should be available. The range or style of food will be shown on any menu submitted. Alternatively, the range of food should include such items as panni's, pizzas, lasagne, toasted or fresh sandwiches, wedges, pies, filled rolls, and/or salads.
  - (ii) The club must have available for consumption on the premises, at all times the club is open for the sale of alcohol, a reasonable range of non-alcoholic and low-alcohol refreshments.
  - (iii) Drinking water must be freely available from the bar and other suitable locations within the premises.
- (e) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
- (i) The licensee must ensure that the provisions of the Act relating to the sale and supply of liquor to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of liquor to minors and the complete prohibition on sales to intoxicated persons.

#### DISPLAY OF LICENCE

A copy of this licence must be displayed inside of the premises so as to be easily read by people using the premises. The premises is detailed in the plan received by the Dunedin District Licensing Committee on 22 October 2020
