**IN THE MATTER**

of the Sale and Supply of Alcohol Act 2012

**AND**

**IN THE MATTER**

of an application by Leith Pub Company Limited for an off-licence pursuant to s.99 of the Act in respect of premises situated at 135 Stuart Street, Dunedin, and known as "Albar"

**DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE**

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

**DECISION**

This is an application by Leith Pub Company Limited for an off-licence in respect of their premises situated at 135 Stuart Street, Dunedin, and known as "Albar".

The application is in respect of premises in which the principal business is the sale of alcohol.

The premises currently has an on-licence and now the licensee would like to sell alcohol produced by him for the off-licence market.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

A neighbouring on-licence was recently granted an off-licence to compliment their food delivery service. In this matter the applicant will be producing a salted caramel whisky to sell over the counter. As the production increases a website will be established for the remote sale of their product.

The premises is in the centre of the Dunedin. The product will be higher priced and unlikely to be attractive to the late-night market. It has been suggested by the Licensing Inspector that sales be restricted to the product produced by the applicant. This would ensure the premises is not seen as another inner city bottlestore. We see merit in that suggestion.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and we grant the applicant an off-licence, with the suggested condition, authorising the sale and supply of alcohol for consumption off the premises, to any person who is present on the premises.

The applicant's attention is drawn to ss.56 and 57(a) of the Act obliging the holder of an off-licence to display: -

1. A sign attached to the exterior of the premises, so as to be easily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of alcohol; AND,

2. A copy of the licence, and of the conditions of the licence, attached to the interior of the premises so as to be easily read by persons entering through each principal entrance; AND,
3. A sign prominently displayed inside the premises, which identifies by name the manager for the time being on duty.

The licence will be subject to the following conditions:

- (a) No alcohol is to be sold or delivered on Good Friday, Easter Sunday, Christmas Day, or before 1.00 pm on Anzac Day
- (b) Alcohol may be sold only on the following days and during the following hours:  
**Monday to Sunday        7.00 am to 10.00 pm**
- (c) The whole of the premises is designated a supervised area.
- (d) **Only alcohol produced by the licensee can be sold pursuant to this licence.**
- (e) While alcohol is being supplied free as a sample, water is to be provided to patrons free of charge at the place where the samples are being supplied.
- (f) The licensee must ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

#### **DISPLAY OF LICENCE AND PRINCIPAL ENTRANCE/S**

A copy of this licence must be displayed at the principal entrance(s) to the premises as outlined in the plan received by the Dunedin District Licensing Committee on 15 November 2021. The entrance from Stuart Street is designated as the principal entrance.

**DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE**

**DECISION**

This is an application by Liquid Assets Limited for the renewal and variation of an alcohol on-licence in respect of their premises situated at 59 Princes Street, Dunedin, and known as "Toast".

The application seeks to extend their trading hours by opening at 2.00 pm, an hour earlier than the current 3.00 pm. All other conditions are a roll-over of the present conditions.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

The Licensing Inspector has assessed the application against the criteria in the Act and is satisfied that the premises are being operated properly. The reason for the earlier opening is so the licensee can run cocktail classes in the premises before normal trading begins.

**IN THE MATTER**

of an application by Basnef Limited for a temporary authority authorising the holder to carry on the sale and supply of alcohol pursuant to s.136 of the Act in respect of premises situated at 6 North Road, Dunedin, and known as "New World Gardens"

**DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE**

**Chairperson:** Commissioner C Weatherall

**DECISION**

This is an application by Basnef Limited for an order allowing them to continue the sale and supply of alcohol pursuant to the underlying licence no. 069/OFF/18/2018 in respect of premises situated at 6 North Road, Dunedin, and known as the "New World Gardens".

The application was opposed by the Licensing Inspector. The matters in opposition have, in the main, been addressed however the Inspector would still like the matter heard so the Committee can make a position statement.

This temporary authority is issued to allow continued trading until after the off-licence application has been determined at a public hearing in mid-February.

The Committee is satisfied that the applicant will operate the premises properly and therefore issues an order authorising the applicant to carry on the sale and supply of alcohol, under the same conditions as were granted initially, for a period of one month from 1 February 2022.
