of an application by Sunshine Green Limited pursuant to s.127 of the Act for renewal of an on-licence in respect of premises situated at 326 Main South Road, Green Island, known as "Village Green Café and Bar"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Sunshine Green Limited for the renewal of an alcohol on-licence in respect of their premises situated at 326 Main South Road, Green Island, and known as the "Village Green Café and Bar".

The application is for a roll-over of the present conditions.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

The Licensing Inspector has assessed the application against the criteria in the Act and is satisfied that the premises is now being operated properly.

During a recent hearing for a new manager's certificate, it became apparent there were some issues with the on-site management of the premises, in particular, the use of a non-certified manager operating alone. It was also revealed that members of a club that occupies another part of the premises occasionally go into the bar/café for food while intoxicated. They are consuming alcohol in the club premises.

So far as the management of the premises is concerned, the agencies met the applicant and warned the for what had happened and helped identify a process to ensure it didn't happen in the future. With regard to intoxicated club members entering the premises, we would like to emphasise that the premises is licensed so intoxicated people cannot be present on the premises. We would suggest this be raised with the club concerned and an alternative arrangement for food service to them developed.

We are satisfied as to the other matters to which we must have regard as set out in s.105 of the Act and therefore renew the licence until 18 April 2025, that being the anniversary date of the licence

and three years from the most recent date of expiry and authorise the issue of a replacement licence and notice of renewal.
