AND

IN THE MATTER

of an application by Food Top N Z Limited for an on-licence pursuant to s.99 of the Act in respect of premises situated at 57 Musselburgh Rise, Dunedin, and known as "Indian Food Plaza"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Food Top N Z Limited for an on-licence in respect of the premises situated at 57 Musselburgh Rise, Dunedin, and known as the "Indian Food Plaza". The general nature of the business to be undertaken is that of a restaurant.

The application results from a change of licensee. The premises is currently operating under a temporary authority.

The application was duly advertised one objection was received. The objector lives very close to the premises and is considered to have an interest greater than the public generally. There was no opposition from the reporting agencies.

This application is for a restaurant which is the same style as has previously been at this location. Section 102(4) of the Act applies when the licence is of the same kind as previously held at the premises and the conditions sought are the same. In this matter, the trading hours are slightly less but the premises will be licensed to 11.00 pm instead of the current 10.00 pm. That being the case, the criteria set out in section 105(1) applies. However, the objector's letter does not consider the criteria and they did not seek to be heard at a hearing. Accordingly, we deal with the matter on the papers.

Although the 'objection' did not meet the threshold to be considered, the information provided about the community the premises sits provided the Committee with a better understanding of the area.

The premises was established when it was a Local Activity Zone 1 and licensed premises were a permitted activity however, under the Proposed 2GP (2nd Generation Plan), such activity is discretionary. In this instance, the premises can be established under 'existing use rights' and, because the trading hours sought are within those originally approved, no additional resource consent is required.

There have been no issues in the area identified by the Police in their report on the application. The premises was first established in 2011 and since that time, the Committee has not been advised of any issue with a licensed premises in the community.

The first issue of the licence is for a period of 12 months after which it must be renewed to continue trading. This provides time for the premises to become fully established and for their compliance with the legislation to be monitored.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and we grant the applicant an on-licence authorising the sale and supply of alcohol for consumption on the premises, to any person who is present on the premises.

The applicant's attention is drawn to ss.56 and 57(a) of the Act obliging the holder of an on-licence to display:-

1. A sign attached to the exterior of the premises, so as to be easily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of alcohol; AND,
2. A copy of the licence, and of the conditions of the licence, attached to the interior of the premises so as to be easily read by persons entering through each principal entrance; AND,
3. A sign prominently displayed inside the premises, which identifies by name the manager for the time being on duty.

The licence will be subject to the following conditions:

- (a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1.00 pm on Anzac Day to any person who is not present on the premises to dine.
- (b) Alcohol may be sold only on the following days and during the following hours:
Monday to Sunday 11.00 am to 11.00 pm
- (c) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) A range of food choices must be readily available at all times that the premises is open. Menus must be visible, and food should be actively promoted. A minimum of three types of food should be available. The range or style of food will be shown on any menu submitted. Alternatively, the range of food should include such items as paninis, pizzas, lasagne, toasted or fresh sandwiches, wedges, pies, filled rolls, and/or salads.
 - (ii) A range of low alcohol and non-alcoholic drinks must be readily available at all times the premises is open.
 - (iii) Water must be freely available at all times that the premises is open.
- (d) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
 - (i) The licensee must ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) The licensee must ensure that signs are prominently displayed within the licensed premises detailing information regarding alternative forms of transport from the premises.

DISPLAY OF LICENCE AND PRINCIPAL ENTRANCE/S

A copy of this licence must be displayed at the principal entrance(s) to the premises as outlined in the plan received by the Dunedin District Licensing Committee on 12 May 2023. The entrance from Musselburgh Rise is designated as the principal entrance.

of an application by AD Ventures Dunedin Limited for a temporary authority authorising the holder to carry on the sale and supply of alcohol pursuant to s.136 of the Act in respect of premises situated at 25 Moray Place, Dunedin, and known as "Dog With Two Tails"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

Chairperson: Commissioner C Weatherall

DECISION

This is an application by AD Ventures Dunedin Limited for an order allowing them to carry on the sale and supply of alcohol pursuant to the underlying licence no. 069/ON/33/2022 in respect of the premises situated at 25 Moray Place, Dunedin, and known as the "Dog With Two Tails".

The premises is now operating as "Rewind".

The general nature of the business to be undertaken is that of a café and bar. The application is for greater hours than those of the underlying licence. The hours were amended on the underlying licence to better reflect the trading practice at that time. However, the applicant in this matter is looking at re-establishing the café during the day therefore the Committee has agreed to allow a midday opening until such time as the applicant applies for their own licence. This does not stop the premises being open before midday as a cafe, but alcohol cannot be sold earlier than this time.

The Licensing Inspector advises that there have been no issues of concern raised in relation to the premises. The style of the premises will be unchanged at this time.

The Committee is satisfied that the applicant will operate the premises properly and therefore issues an order authorising the applicant to carry on the sale and supply of alcohol for a period of three months from 20 June 2023.
