of an application by Beer and More Limited for an off-licence pursuant to s.99 of the Act, endorsed pursuant to s.40 of the Act (remote seller), in respect of premises situated at 137 Doon Street, Dunedin, and known as "Schultz Bru"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Beer and More Limited for an off-licence, endorsed as a remote seller, in respect of their premises situated at 137 Doon Street, Dunedin, and known as "Schultz Bru".

The application is in respect of premises in which the principal business is the sale of alcohol.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly, we deal with the matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and we grant the applicant an off-licence authorising the sale and supply of alcohol for consumption off the premises.

Although sales are made remotely, the licensee must ensure a certified manager is appointed to the business at all times.

Remote sellers have different requirements to other premises. The first is a response to the fact the buyer is not confronted at the time of purchase and to this end, regulation 14 of the Sale and Supply of Alcohol Regulations 2013 details the requirements imposed on licensees to ensure prohibited people do not purchase alcohol. This regulation is reproduced here for clarity:

14 Reasonable steps to verify that people not under purchase age

(1) The procedures described in subclauses (2) to (4) are reasonable procedures for the purposes of complying with [section 59\(3\)](#) of the Act (which requires the holder of an off-licence to take reasonable steps to verify that the buyer of any alcohol that the holder sells by remote sale (and, if a person other than the buyer is to receive it, to verify that the receiver) is not under the purchase age).

(2) In the case of an order made using an internet site, the procedure is to—

- (a) ask the prospective buyer to declare, by ticking an on-screen box, that he or she is 18 years of age or over (and, where a prospective receiver is involved, that the prospective receiver is also 18 years of age or over)—*

- (i) *once when the prospective buyer first enters the internet site; and*
 - (ii) *again, immediately before the sale of any alcohol is completed; and*
 - (b) *refuse to sell alcohol to the prospective buyer unless, on both occasions, he or she declares that he or she is 18 years of age or over (and, where a prospective receiver is involved, also declares that the prospective receiver is 18 years of age or over).*
- (3) *In the case of a telephone order, the procedure is to—*
- (a) *ask the prospective buyer to declare, orally, that he or she is 18 years of age or over (and, where a prospective receiver is involved, that the prospective receiver is also 18 years of age or over)—*
 - (i) *once when the conversation concerned begins; and*
 - (ii) *again, immediately before the conversation is completed; and*
 - (a) *refuse to sell alcohol to the prospective buyer unless, on both occasions, he or she declares that he or she is 18 years of age or over (and, where a prospective receiver is involved, also declares that the prospective receiver is 18 years of age or over).*
- (4) *In the case of an order made on a physical order form, the procedure is to—*
- (a) *ensure that the form—*
 - (i) *requires the prospective buyer to sign the form at a place at or near its end; and*
 - (ii) *contains 2 requests for the prospective buyer to declare, by ticking a box, that he or she is 18 years of age or over (and, where a prospective receiver is involved, that the prospective receiver is also 18 years of age or over)—*
 - (A) *one at the beginning of the form; and*
 - (B) *the other, immediately before the place on the form where the prospective buyer is required to sign it; and*
 - (b) *refuse to sell alcohol to the prospective buyer unless he or she has ticked both boxes and signed the form.*

Regulation 15 describes the information to be provided by remote sellers. When using an internet website the licence holder must display prominently on the website, any catalogue produced and every receipt issued for alcohol sold remotely:

- (a) The licence holder's name and licence number
- (b) The date the licence expires
- (c) And in addition to this either a legible image of the licence, or a clearly identified link to such image, must be clearly displayed on the website.

The licence will be subject to the following conditions:

- (a) No alcohol shall be delivered on Good Friday, Easter Sunday, Christmas Day or before 1.00 pm on Anzac Day.
- (b) Alcohol may be sold from the premises at any time on any day, and delivered somewhere else for consumption off the premises, only on the following days and during the following hours:
Monday to Saturday 9.00 am to 5.00 pm
- (c) The licensee shall ensure that the provisions of regulation 14 of the Sale and Supply of Alcohol Regulations 2013 relating to the sale and supply of liquor to prohibited persons are observed and shall display appropriate signs on the Internet web page detailing the statutory restriction on the supply of alcohol to minors.

- (d) The Licensee must display on its website and in its catalogue and on every receipt issued for alcohol sold remotely:
- (i) The licence holder's name and licence number
 - (ii) The date on which the licence expires
 - (iii) A legible image of the licence, or a clearly identified link to such image, to be displayed in a prominent place on the website.

DISPLAY OF LICENCE

A copy of this licence must be displayed in a prominent position on the website or, as an alternative, a clearly identified link to such an image to be displayed.

This is an application by Loboski Venues Limited for a special licence for the premises situated at 218 Crawford Street, Dunedin, and known as "Errick's Venue".

The applicant has requested a special licence for a series of events to be held on the following days:

Friday 4 October 2024	6.00 pm to 2.00 am the following day	Live Music Event
Friday 18 October 2024	6.00 pm to 2.00 am the following day	Otago Polytech Pasifika Ball
Friday 25 October 2024	6.00 pm to 2.00 am the following day	Medical Demigrad
Saturday 26 October 2024	6.00 pm to 2.00 am the following day	Family Event
Friday 1 November 2024	6.00 pm to 2.00 am the following day	Music Event
Saturday 2 November 2024	6.00 pm to 2.00 am the following day	Private Event
Friday 8 November 2024	6.00 pm to 2.00 am the following day	Live Music Event

Thursday 21 November 2024	6.00 pm to 2.00 am the following day	Live Music Event
Friday 6 December 2024	6.00 pm to 2.00 am the following day	Graduation Ball
Thursday 12 December 2024	11.00 am to 12.00 midnight	Private Company Event

They have requested the premises be designated a supervised area for the duration of each event.

While the reporting agencies (Police, Medical Officer of Health and Licensing Inspector) have not raised any matters of concern with the applicant running the events, they have expressed concern regarding the following two matters:

- a) the lack of detail about each of the events. They would like more detail regarding each 'music event', 'live music event', other events so they can make a more informed assessment
- b) the events on a special licence covering multiple events must be related in some way. In the above schedule there are music events, balls/formals, and private events. These needs to be separated to comply with the Dunedin Local Alcohol Policy.

The agencies have indicated their reluctance to report favourably in the future if their concerns are not addressed in applications.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence on this occasion. However, the Committee agrees with the agencies; in future there will be an expectation that multiple events named on one application will be related in some way and more detail about each is to be supplied.

A copy of the special licence setting out the conditions to which it is subject is attached to this decision.

The applicant is consistently applying for special licences within the statutory 20 working days. Each application is circulated to the agencies. If they cannot report on an application, for whatever reason, the Committee will be left with no alternative but to decline the application, or at least, not approve those events within the 20 working days. **There is no guarantee that applications received within 20 working days of an event will be processed in time.**

DECISION

This is an application by Loboski Venues Limited another order allowing them to carry on the sale and supply of alcohol pursuant to the underlying licence no. 069/ON/17/2021 in respect of premises situated at 218 Crawford Street, Dunedin, and now known as "Errick's & Errick's Hotel".

The general nature of the business to be undertaken is that of a live entertainment venue.

This is the fifth temporary authority granted to the applicant to allow continued trading. There have been issues obtaining the Resource Consent. Until the Consent is granted, their on-licence application is 'on hold'. The conditions of the first temporary authority continue.

The Licensing Inspector advises that there has been one issue of concern raised in the time they have been operating the venue however this has been resolved. Of note is the general maximum occupancy is 120 people but this can be extended for special licences.

The Committee is satisfied that the applicant will operate the premises properly and therefore issues an order authorising the applicant to carry on the sale and supply of alcohol, under the same conditions as were granted initially, for a period of three months from 13 October 2024.
