- Use a wheel chair or other mechanical device used to aid mobility or

Permit Concessions

This permit allows the driver (cardholder) to park without payment on any on street 'Pay by Plate' area or Dunedin City Council (Citipark) off street carpark controlled by 'Pay by Plate' machines **for the maximum permitted period**.

The maximum permitted period for all pay by plate areas is shown on the pay machines, on street signage, or at the entrance to off street carparks.

The permit does not provide you with an exemption from parking statute or bylaws, or allow you free parking in any parking building except the Library Car park.

Display of Permit

The disabled person's parking permit or mobility parking permit must be displayed on the dash of the vehicle and must have the approved parking exemption label attached, failure to display the permit negates any right to parking concessions.

General

- The permit may only be used if the permit holder is the driver of the vehicle.
- It is the permit holder's responsibility to inform the DCC Customer Services Agency, Ph. 03 477 4000 of any change of circumstances which may affect eligibility (change of address, loss of applicant's ability/licence to drive etc.)
