

# APPLICATION FORM FOR INCLUSION ON NO-SPRAY LIST

PLEASE FILL IN ALL THE FIELDS

Name (print) :

Postal address:

Postcode:

Phone (daytime):

Email:

Property number:

Street name:

Suburb:

Property ID:

(You can get the Property ID from the Rating Information Database – [www.dunedin.govt.nz/rates](http://www.dunedin.govt.nz/rates))

Description of area along the road frontage, which means the road reserve area between the road edge and the adjacent property boundary, including the footpath, grass berm, the kerb and channel:

I request that this area be included on your no spray list and understand that this applies to routine vegetation control with herbicides. If the vegetation at this road frontage is not controlled by the property owner/occupier and causes problems, the Council may arrange to carry out this work without further notice. This may include the use of herbicides. All resurfacing of hard surfaced areas is preceded by a treatment with herbicides to reduce future damage to the surfacing.

In areas where maintenance work is to be carried out on or near the roadway and at risk from moving traffic the owner will need to engage a suitably qualified a contractor to ensure this work can be carried out in accordance with DCC's safety and traffic management requirements.

To assist in locating the area I will mark each side boundary. ☐ Yes ☐ No

I would like a stencil mailed to the above address to help identification ☐ Yes ☐ No
