Date:

Criteria for assessment of application

This application will be considered with regard to the following matters:

- Assessment Matters 7.7.2.1 and 7.8.3.1 of the Scheduled Trees section of the District Plan
- Whether or not the work will benefit the health and growth of the tree
- Any alternative methods available to achieve the desired outcome
- Any previous applications involving trees
- The contribution the tree makes to the neighbourhood, both visually and physically
- The contribution the tree makes as a habitat for wildlife
- The extent to which the tree is structurally unsound in the opinion of the Council's consultant arborist.
- The applicant's need to obtain a practicable building area, access, parking area or install services etc

Further Assistance

City Planning Staff can be contacted as follows:

IN WRITING: Dunedin City Council, PO Box 5045, Dunedin 9054

IN PERSON: Customer Services Centre, Ground Floor, Civic Centre, 50 The Octagon
